

Light The Way Home

Write your Christmas message here!

Preventing homelessness, one person at a time.

We'd love for you to colour in our "Light The Way Home" house as brightly as you can and write a message you would like to share with the people we support this Christmas.

Look out your best pens and pencils, have some fun and help us spread some Christmas cheer!

For many people, Christmas is a special time at home with family and friends. They enjoy yummy meals and give presents.

But some people don't have a home, or they need support to make their home a happier, safer place to be.

We want to make things better and Light the Way Home to help people find a home. Ensuring they feel happy, safe and loved.

We're a Scottish charity working to stop people becoming homeless and separated from their loved ones.

We help families spend time together to be happy and strong even when life is tough.

We have friendly helpers for children and young people to talk to, making them feel cared for and helping them reach their goals.
